

Letter of Recommendation

10 October 2023

To Whom It May Concern,

I am writing this letter with immense pleasure to highly recommend Mr. Abdullah Yousufzai for admission to your Master's program. I have had the privilege of serving as his academic advisor and professor during his undergraduate studies at Kabul University, Faculty of Computer Science, Department of Information Systems.

Mr. Yousufzai's academic excellence is complemented by his admirable character and leadership qualities. He is known for his integrity, discipline, and unwavering commitment to his academic and personal responsibilities. His humility and willingness to assist his peers have earned him the respect and admiration of both faculty members and fellow students.

During his undergraduate studies, Mr. Yousufzai consistently demonstrated a thirst for knowledge and a passion for the field of information systems. He was among the top-performing students in our department, setting a shining example for his peers. His dedication to academic excellence, along with his commendable research initiatives, makes him an ideal candidate for your Master's program.

I wholeheartedly endorse Mr. Yousufzai's application for admission to your Master's program and am confident that he will thrive in the competitive academic environment your institution provides. Please do not hesitate to reach out if you require any further information about his qualifications or character.

Thank you for considering Mr. Yousufzai's application. I have no doubt that he will continue to excel academically and contribute positively to your academic community.

Sincerely,

Asst Prof. Lutf Ul Rahman Haqmal

Lecturer and Faculty Member,
Information Systems Department,
Computer Science Faculty,
Kabul University
